

CANADIAN SOCIETY OF CINEMATOGRAPHERS
Fostering Cinematography

BE A **mentor**

FOR A **NEW** CSC *STUDENT MEMBER*

CAN YOU STEP UP?

Remember what it was like once you decided to pursue a career as a cinematographer? The future unknown. What to do? Where to turn?

The CSC provides a community for fostering cinematographers across the country, **so we need your help**. We want to welcome as many of the budding cinematographers as possible who are graduating from the over 30 cinematography courses in institutions of higher learning across Canada. That's potentially a lot of people.

Our **new mentorship program** promises to hook up every new student member with one of us for a mentor relationship. What does that mean? **It's up to the mentor volunteer**. A cup of coffee? Answering questions? Set visits? Looking at dailies? Timing sessions? Helping on your docs? **Whatever seems do-able. Whatever you are comfortable with. Whatever time you can afford.**

IT'S A GREAT WAY TO GIVE BACK.

In order for this to work, all we need is you to decide that **you want to help**. Allow us to give an applying student your contact information so they can reach out to you. Simply reply to Patty's email, writing "**put me in the mentor pool**" in the subject line and we will do just that and hook you up with one of our fabulous new student members.

DON'T WAIT. DO IT NOW!
